SHORT BIOGRAPHY

Darko Tasić (born January 19th, 1987 in Niš, Serbia) is an electrical engineer and Master of Computer Science. In 2011, he graduated at Computer Science Department, Faculty of Electronic Engineering, University of Niš, Serbia with graduated work related to microcontrollers in computer networks. During the studies, he was very active in community work through "Board of European Students of Technology, Local Best Group Niš" and Network club "ElefNet" at the Faculty of Electronic Engineering, University of Niš. After studies in 2011, he was associated by the Faculty of Electronic Engineering, University of Niš, as a participant on the TEMPUS project (TEMPUS-158881-2009). In 2012, he was appointed as administrative assistant in the national office for Commission for Accreditation and Quality Assurance, Republic of Serbia. At the end of 2012, he was employed as a Technology Transfer Officer at Technology Transfer Center, University of Niš.

ACADEMIC QUALIFICATIONS

Faculty of Electronic Engineering, University of Niš 2006 – 2011
M.Sc degree

PROFESSIONAL EXPERIENCES & COMMUNITY WORK

Technology Transfer Center, University of Niš 2012 –
Technology Transfer Officer

Commission for Accreditation and Quality Assurance, Serbia 2012 –
Administrative Assistant

Faculty of Electronic Engineering, University of Niš 2011 –2012
Participant on the project (TEMPUS-158881-2009)

Network club "ElefNet"
The Faculty of Electronic Engineering of Niš 2010–2011
Member

"Board of European Students of Technology, Local Best Group Niš" 2009 –
Alumni member
